

Klinknagels

voor montage van KEL-BES / KEL-BES-S borstelplaten

Expanding rivets made of plastic for screwless mounting of [KEL-BES](#) and [KEL-BES-S](#) brush plates.

To attach, simply tap the pin into the rivet.

Specificaties

Materiaal Polyamide

Voordelen

Producttypes en maten

A black metal expanding anchor bolt. It features a hexagonal shaft and a head with a split, conical design, typical for wall anchors. The bolt is shown horizontally against a white background.
